

Online Viewing

Those who have access to the church wifi are reminded that, as the church does not have a TV License, it is against the law to plug in and watch or record live TV programmes on any channel, or to download or watch BBC programmes on iPlayer (this could be on any device, including a TV, desktop computer, laptop, mobile phone, tablet, games console, digital box or DVD/VHS recorder). Viewing programmes in this way means that you will be at risk of prosecution.
